Services

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Farm Business Improvement Scheme - Capital (FBIS-C) Tier 1 (Tranche 4) List of Eligible Items Maximum amount of grant support payable per item

Pre-approvals

Please use the following links for information regarding regulatory pre-approvals for:

Incinerators – For information on approval to incinerate animal by-products refer to Annex G of the (FBIS-C) Tier 1 (Tranche 4) Explanatory Booklet and:

<https://www.daera-ni.gov.uk/publications/animal-products-applications>

Pesticide Application Equipment – For information on requirements for operators applying pesticides please refer to:

<https://www.daera-ni.gov.uk/sites/default/files/publications/dard/pesticide-spray-a4-flyer.pdf>

Fencing: For information on fencing specifications and installation guidelines see Annex E of the (FBIS-C) Tier 1 (Tranche 4) Explanatory Booklet.

Precast Concrete Drinking Troughs: For information on specification and siting guidelines see Annex J of the (FBIS-C) Tier 1 (Tranche 4) Explanatory Booklet.

Other considerations

Biosecurity units: For the Prefabricated Biosecurity Unit specification, See Annex F of the (FBIS-C) Tier 1 (Tranche 4) Explanatory Booklet.

Tensioned covers for above ground slurry stores: See Annex H of the (FBIS-C) Tier 1 (Tranche 4) Explanatory Booklet for relevant information.

Low Emission Slurry Spreading Equipment (LESSE): See Annex I of the (FBIS-C) Tier 1 (Tranche 4) Explanatory Booklet for relevant information.

Ineligible expenditure

In all cases the following costs are not eligible expenditure:

Installation costs (except fencing)	Charges incurred in tendering
Commissioning costs	Professional fees*
Warranties	Delivery costs
Consumables	Second hand equipment
Running costs	Interest charges
Site works	Planning permissions
Investments relating to non-agricultural/horticultural items	Service and fuel supplies – electricity, water, oil, gas, etc.
Computer hardware such as PC, laptop, printer, etc	Training costs

The above list of ineligible expenditure is not exhaustive. Please refer to Annexes within the Explanatory Booklet for further details.

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

P. Environment, Weather Resistance and Climate Change

New Item Code	Description of Eligible Items	Ineligible Items	Minimum Purchase Quantity	FBIS Theme Band	Ref Price £	Max Grant £
P10	Advanced fertiliser sower: to include full GPS system with tractor guidance system to include variable rate application, headland /border spreading capability.		1	1	22,800	9,120
P11	Fertiliser sower: capable of connecting to a GPS system with tractor guidance system to facilitate variable rate application, headland/border spreading capability.		1	1	6,760	2,705
P12	Tractor mounted seed drill: minimum width of 3 metres, (10ft) minimum 750kg hopper capacity, hydraulic or electro-hydraulic bout markers, metering system. Must be compatible with combined fertiliser drilling.		1	3	30,000	12,000
P13	Tractor mounted/trailed sprayer: boom width 15-18 metres, tank size 800-1500 litre model to include: hydraulic booms, in-cab electronic control of each boom section & spray pressure. Certificate of competence required.		1	3	21,690	8,675
P14	Tractor mounted/trailed sprayer: boom width 21metres and over, 1000-1800 litre capacity to include: hydraulic booms, in-cab electronic control of each boom section & spray pressure. Certificate of competence required.		1	3	29,960	11,985
P15	Rate controlled, tractor mounted/trailed sprayer: boom width 15-18 metres, tank size 800-1500 litre capacity, capability of connecting to GPS with tractor guidance system, hydraulic booms, in-cab electronic control		1	2	25,500	10,200

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

New Item Code	Description of Eligible Items	Ineligible Items	Minimum Purchase Quantity	FBIS Theme Band	Ref Price £	Max Grant £
	of each boom section and spray pressure. Certificate of competence required.					
P16	Rate controlled, tractor mounted/trailed sprayer: boom width 21metres and over, tank 1000-1800 litre capacity, to include: capability of connecting to a GPS with tractor guidance system, hydraulic booms, in-cab electronic control of each boom section and spray pressure. Certificate of competence required.		1	2	30,000	12,000
P17	Rate controlled & GPS tractor mounted/trailed sprayer: boom width 15-18 metres - tank size 800-1,600 litre capacity to include: full GPS with tractor guidance system, hydraulic booms, in-cab electronic control of each boom section. & spray pressure. Certificate of competence required.		1	2	30,000	12,000
P18	Tractor mounted/trailed rate controlled & GPS sprayer: boom width 21m & over and minimum tank size1000L, full GPS with tractor guidance system, hydraulic booms, in-cab electronic control of each boom section and spray pressure. Certificate of competence required.		1	2	30,000	12,000
P19	Global Positioning System (GPS) to include at minimum: GPS receiver, data logging software, mount and Real Time Kinematic (RTK) capability – NOT steer ready.		1	1	8,425	3,370
P20	Advanced Global Positioning System (GPS) to include at minimum: GPS receiver, data logging software, mount, auto		1	1	18,175	7,270

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

New Item Code	Description of Eligible Items	Ineligible Items	Minimum Purchase Quantity	FBIS Theme Band	Ref Price £	Max Grant £
	steer and Real Time Kinematic (RTK) - steer ready.					
P21	Seed applicator attachment for fine seed.		1	2	2,950	1,180
P22	Compact fungicide applicator for potato/vegetable planter (Dust or liquid, 2 to 4 rows). Certificate of competence required.		1	2	5,105	2,040
P23	Table/grader fungicide applicator that also facilitates the application of growth inhibitors to include at minimum air treatment canopy for use with potato/vegetable crops. Certificate of competence required.		1	2	5,760	2,305
P24	Liquid fertiliser applicator for application with grain drill. To include tank, metering unit, associated pipework and pumps.		1	2	14,715	5,885
P25	Grain crimper roller with additive applicator.		1	2	24,145	9,655
P26	Bio Filter Kits. To include pipework, pumps and containers.		1	2	4,030	1,610
P27	Multi-component one pass, reduced cultivation machine. Must have a minimum of three different soil engaging parts, two of which should be separate rows of either fixed tines, discs loosening legs or spring tines and the third a rear packer, crumbler, roller, rings or shouldered rings.	Rotavator or power harrow.	1	2	21,365	8,545
P28	1.83 metres (6ft deep roll) - curtain for automatic ventilation systems for livestock buildings (curtain and associated fixtures only). Grant support per metre.		1	2	139	55.50

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

New Item Code	Description of Eligible Items	Ineligible Items	Minimum Purchase Quantity	FBIS Theme Band	Ref Price £	Max Grant £
	Must be purchased in conjunction with P30.					
P29	2.44 metres (8ft deep roll) curtain for automatic ventilation systems for livestock buildings (curtain and associated fixtures only). Grant support per metre. Must be purchased in conjunction with P30.		1	2	183	73.26
P30	Automatic variable ventilation system in livestock buildings. To include a minimum of: electric drive motors, control panels and roof mounted weather stations with sensors. Must be purchased in conjunction with J28 and/or J29.		1	2	3,125	1,250
P31	2,000-4,999gal (9,090-22,725L) capacity. Rainwater harvesting prefabricated covered system with filter and pump.	Tanks for purposes other than collecting and storing rainwater.	1	2	6,650	2,660
P32	5,000-7,999gal (22,730 - 36,365L). Rainwater harvesting prefabricated covered system with filter and pump.	Tanks for purposes other than collecting and storing rainwater.	1	2	8,965	3,585
P33	Over 8,000gal (36,370 L) capacity. Rainwater harvesting prefabricated covered system with filter and pump.	Tanks for purposes other than collecting and storing rainwater.	1	2	10,615	4,245
P34	Slurry separator (can be a brushed screen or screw press system).	Slurry separators that produce green bedding.	1	3	30,000	12,000

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

New Item Code	Description of Eligible Items	Ineligible Items	Minimum Purchase Quantity	FBIS Theme Band	Ref Price £	Max Grant £
P35	Robotic slurry scraping device (without ability to apply water or collect and store slurry).		1	1	14,615	5,845
P36	Robotic slurry scraping device (with the ability to apply water to the floor surface but does NOT collect and store slurry).		1	1	18,135	7,255
P37	Robotic slurry scraping device (with the ability to apply water to the floor surface and collect AND store slurry).		1	1	30,000	12,000
P38	One passage - automated slurry scraping system.		1	1	5,190	2,075
P39	Two passage - automated slurry scraping system.		1	1	8,105	3,240
P40	Three passage - automated slurry scraping system.		1	1	10,185	4,075
P41	Four passage - automated slurry scraping system.		1	1	12,625	5,050
P42	Slurry tanker up to 2,500 gallons with TANKER Mounted Dribble Bar (UP TO AND INCLUDING 10m working width) slurry distribution system with macerator. Refer to Annex I (FBIS-C) Tier 1 Tranche 4 Explanatory Booklet.	Engineer's certificate if applicable.	1	1	26,730	10,690
P43	Slurry tanker up to 2,500 gallons with TANKER Mounted Dribble Bar (OVER 10m working width) slurry distribution system with 1/2 macerator(s). Refer to Annex I (FBIS-C) Tier 1 Tranche 4 Explanatory Booklet.	Engineer's certificate if applicable.	1	1	30,000	12,000
P44	Slurry tanker up to 2,500 gallons with TANKER Mounted Trailing Shoe (UP TO AND INCLUDING 7.5m working width) slurry	Engineer's certificate if applicable.	1	1	29,310	11,725

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

New Item Code	Description of Eligible Items	Ineligible Items	Minimum Purchase Quantity	FBIS Theme Band	Ref Price £	Max Grant £
	distribution system with macerator. Refer to Annex I (FBIS-C) Tier 1 Tranche 4 Explanatory Booklet.					
P45	Slurry tanker up to 2,500 gallons with TANKER Mounted Trailing Shoe (OVER 7.5m AND UP TO AND INCLUDING 10m working width) slurry distribution system with a macerator. If not a new tanker, Engineers Certification required. Refer to Annex I (FBIS-C) Tier 1 Tranche 4 Explanatory Booklet.	Engineer's certificate if applicable.	1	1	30,000	12,000
P46	Slurry tanker up to 2,500 gallons with TANKER Mounted Trailing Shoe (OVER 10m working width) slurry distribution system with macerator. Refer to Annex I (FBIS-C) Tier 1 Tranche 4 Explanatory Booklet.	Engineer's certificate if applicable.	1	1	30,000	12,000
P47	TANKER Mounted Dribble Bar (UP TO AND INCLUDING 10m working width) slurry distribution system with a macerator. If not a new tanker, Engineers Certification required. Refer to Annex I (FBIS-C) Tier 1 Tranche 4 Explanatory Booklet.	Engineer's certificate if applicable.	1	1	11,185	4,475
P48	TANKER Mounted Dribble Bar (over 10m working width) slurry distribution system with 1/2 macerator(s). If not a new tanker Engineer's Certification required. Refer to Annex I (FBIS-C) Tier 1 Tranche 4 Explanatory Booklet.	Engineer's certificate if applicable.	1	1	16,595	6,640
P49	TRACTOR Mounted Dribble Bar (UP TO AND INCLUDING 10m working width) slurry distribution system with a macerator for use with an umbilical system. Refer to Annex I (FBIS-C) Tier 1 Tranche 4 Explanatory Booklet.		1	1	12,335	4,935

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

New Item Code	Description of Eligible Items	Ineligible Items	Minimum Purchase Quantity	FBIS Theme Band	Ref Price £	Max Grant £
P50	TRACTOR Mounted Dribble Bar (OVER 10m working width) slurry distribution system with 1/2 macerator(s) for use with an umbilical system. Refer to Annex I (FBIS-C) Tier 1 Tranche 4 Explanatory Booklet.		1	1	16,585	6,635
P51	TANKER Mounted Trailing Shoe (UP TO AND INCLUDING 7.5m working width) slurry distribution system with a macerator. If not a new tanker, Engineer's Certification required. Refer to Annex I (FBIS-C) Tier 1 Tranche 4 Explanatory Booklet.	Engineer's certificate if applicable.	1	1	13,765	5,505
P52	TANKER Mounted Trailing Shoe (OVER 7.5m AND UP TO AND INCLUDING 10m working width) slurry distribution system with a macerator. If not a new tanker, Engineer's Certification required. Refer to Annex I (FBIS-C) Tier 1 Tranche 4 Explanatory Booklet.	Engineer's certificate if applicable.	1	1	17,500	7,000
P53	TANKER Mounted Trailing Shoe (OVER 10m working width) slurry distribution system with a macerator. If not a new tanker, Engineer's Certification required. Refer to Annex I (FBIS-C) Tier 1 Tranche 4 Explanatory Booklet.	Engineer's certificate if applicable.	1	1	19,150	7,660
P54	TRACTOR Mounted Trailing Shoe (UP TO AND INCLUDING 7.5 m working width) slurry distribution system with a macerator for use with an umbilical system. Refer to Annex I (FBIS-C) Tier 1 Tranche 4 Explanatory Booklet.		1	1	16,205	6,480
P55	TRACTOR Mounted Trailing Shoe (OVER 7.5m working width) slurry distribution system with a macerator for use with an umbilical system. Refer to Annex		1	1	19,590	7,835

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

New Item Code	Description of Eligible Items	Ineligible Items	Minimum Purchase Quantity	FBIS Theme Band	Ref Price £	Max Grant £
	I (FBIS-C) Tier 1 Tranche 4 Explanatory Booklet.					
P56	TANKER Mounted Shallow Injector slurry application system with macerator fitted to tanker. If not a new tanker, Engineer's Certificate required. Refer to Annex I (FBIS-C) Tier 1 Tranche 4 Explanatory Booklet.	Engineer's certificate if applicable.	1	1	24,605	9,840
P57	Umbilical hose of diameter up to 4 inches for use with trailing shoe/dribble bar or shallow injection slurry distribution system. Grant support per metre.		600	1	12.21	4.88
P58	Umbilical hose of diameter up to 5 inches for use with trailing shoe/dribble bar or shallow injection slurry distribution system. Grant support per metre.		600	1	14.99	5.99
P59	High pressure centrifugal chopper pump to supply umbilical system using a trailing shoe/dribble bar or shallow injection slurry distribution system.	Slurry pump for outside mixing point (Item L30).	1	1	8,050	3,220
P60	Umbilical hose reel system for use with trailing shoe/dribble bar or shallow injection slurry distribution system (Capacity to carry up to 800 metres 4-inch hose).		1	1	3,830	1,530
P61	Umbilical hose reel system for use with trailing shoe/dribble bar or shallow injection slurry distribution system (Capacity to carry more than 800 metres 4 inch hose).		1	1	5,690	2,275
P62	Slurry flow monitoring system to include RTK (Real Time Kinematic) and GPS capability.		1	1	9,255	3,705

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

New Item Code	Description of Eligible Items	Ineligible Items	Minimum Purchase Quantity	FBIS Theme Band	Ref Price £	Max Grant £
P63	Tensioned cover for an above ground slurry store with a diameter up to 13.5m to include all associated fixtures and fitting. Grant support per square metre. Refer to Annex H (FBIS-C) Tier 1 (Tranche 4) Explanatory Booklet.	Floating covers, covers on stores constructed prior to 1st Dec 2003 or after 31st Dec 2019.	13	1	198	79.21
P64	Tensioned cover for an above ground slurry store with a diameter of 13.5 - 20m to include all associated fixtures and fitting. Grant support per square metre. Refer to Annex H (FBIS-C) Tier 1 (Tranche 4) Explanatory Booklet.	Floating covers, covers on stores constructed prior to 1st Dec 2003 or after 31st Dec 2019.	20	1	126	50.39
P65	Tensioned cover for an above ground slurry store with a diameter greater than 20m to include all associated fixtures and fitting. Grant support per square metre. Refer to Annex H (FBIS-C) Tier 1 (Tranche 4) Explanatory Booklet.	Floating covers, covers on stores constructed prior to 1st Dec 2003 or after 31st Dec 2019.	27	1	93.43	37.37
P66	Additional works to strengthen a metal above ground store to include a metal ring. Grant support is per metre of ring where a cover is to be fitted. Refer to Annex H (FBIS-C) Tier 1 (Tranche 4) Explanatory Booklet.	Stores constructed prior to 1st Dec 2003 or after 31st Dec 2019.	20	1	128	51.36
P67	Tractor mounted grass/soil aerator. (Up to and including 3 metres/10ft).		1	2	2,970	1,190
P68	Tractor mounted grass/soil aerator. (Over 3 metres/10ft).		1	2	5,315	2,125

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

New Item Code	Description of Eligible Items	Ineligible Items	Minimum Purchase Quantity	FBIS Theme Band	Ref Price £	Max Grant £
P69	Trailed grass/soil aerator. (Minimum to be over 3 metres/10ft).		1	2	8,910	3,565
P70	Sub soiler (2 legs only).		1	2	5,715	2,285
P71	Sub soiler (more than 2 legs).		1	2	8,965	3,585
P72	Electronic cow heat detection system.		1	2	4,775	1,910
P73	Cow heat detection system collars / transponders/pedometers. Grant support per collar/transponder/pedometer.	Electronic ear tags.	26	2	97.13	38.85
P74	Cow heat and health detection system collars/transponders/pedometers. Grant support per collar/transponder/pedometer.	Electronic ear tags.	24	2	108	43.30
P75	In parlour feeders to include IT link with the capability to "feed to yield" Grant support per milking point.	Computer software package.	4	1	652	261
P76	1 station - Automated out of parlour feeding system to include IT link with the capability to "feed to yield".	Computer software package.	1	1	5,565	2,225
P77	2 stations - Automated out of parlour feeding system to include IT link with the capability to "feed to yield".	Computer software package.	1	1	9,130	3,650
P78	3 stations - Automated out of parlour feeding system to include IT link with the capability to "feed to yield".	Computer software package.	1	1	12,570	5,030
P79	4 stations - Automated out of parlour feeding system to include IT link with the capability to "feed to yield".	Computer software package.	1	1	16,915	6,765

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

New Item Code	Description of Eligible Items	Ineligible Items	Minimum Purchase Quantity	FBIS Theme Band	Ref Price £	Max Grant £
P80	Milk meter. Grant support per milking point.		2	2	1,360	545
P81	1 station – Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer).		1	2	7,370	2,950
P82	2 stations - Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer).		1	2	9,465	3,785
P83	3 stations - Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer.)		1	2	13,225	5,290
P84	4 stations - Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer).		1	2	17,095	6,840
P85	1 station and 1 animal feed dispenser (milk and feed) - Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer and concentrate).		1	2	10,020	4,005
P86	2 stations and 2 animal feed dispensers - Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer and concentrate).		1	2	11,460	4,585
P87	3 stations and 3 animal feed dispensers - Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer and concentrate).		1	2	13,905	5,560
P88	Milk plate cooler system to include water storage tank with at least 220 gal/1,000 litres in capacity.		1	1	3,300	1,320
P89	Dairy unit heat exchanger. (Heat recovery capacity up to 88 gal/400 litres).		1	1	3,515	1,405

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

New Item Code	Description of Eligible Items	Ineligible Items	Minimum Purchase Quantity	FBIS Theme Band	Ref Price £	Max Grant £
P90	Dairy unit heat exchanger (Heat recovery capacity over 88 gal/400 litres).		1	1	6,825	2,730
P91	Variable speed vacuum pump.		1	1	4,790	1,915
P92	Automated electronic cattle identification system allowing identification of individual animals.		1	2	13,555	5,420
P93	Cattle electronic identification collar/pedometers/transponders. Grant support per identifier.	Calf collars.	31	2	83.25	33.30
P94	Heat pads for pig farrowing and weaner accommodation. (Grant support per single space only).		16	1	167	66.60
P95	Circular multi-space - ad lib feeders for growing and finishing pigs (Wet and dry feeder versions).		7	3	389	155
P96	Single/multi-space - ad lib feeders for growing and finishing pigs. (Wet and dry feeder versions).		13	3	208	83.25
P97	Automation of ventilation for Throwbridge / Solari pen, to include at minimum: one controller, one motor, one sensor and 10 pulleys. Grant support per 10 pens.		2	1	2,415	965
P98	Ventilation fan to include rigid chimneys, inlets & inverter/controller.		2	2	1,500	600
P99	Poultry canopy brooder. Grant support per 1,000 birds.	Incubators.	13	2	208	83.25
P100	Pan feeding system for broilers. Grant support per metre.		61	2	41.63	16.65

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

New Item Code	Description of Eligible Items	Ineligible Items	Minimum Purchase Quantity	FBIS Theme Band	Ref Price £	Max Grant £
P101	Auger/chain feeding system for layers. Grant support per 1,000 birds.		2	2	1,305	520
P102	Fan assisted radiators for connection to a hot water system (poultry house only).	Radiators for any use other than in poultry houses.	1	2	3,375	1,350
P103	Horticultural transplanting machine.		1	2	30,000	12,000
P104	Tractor mounted seed drill for horticulture.	Drill for any use other than horticulture.	1	3	26,225	10,490
P105	Plant potting machine.		1	3	30,000	12,000
P106	Shade and/or thermal screens for glasshouses & polytunnels. Grant support per square metre.	Plastic covers.	414	2	6.05	2.42

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Q. Animal and Plant Health

New Item Code	Description of Eligible Items	Ineligible Items	Minimum Purchase Quantity	FBIS Theme Band	Ref Price £	Max Grant £
Q10	Rubber slat mat for livestock housing. Grant support per square metre.		46	2	55.50	22.20
Q11	Solid rubber mats for hard surfaced areas in livestock houses. Grant support per square metre.	Mats for equines.	61	3	41.63	16.65
Q12	4 - 15.5 tonnes single chamber - vermin proof bulk feed bin. Galvanised or fibreglass.		1	3	2,985	1,195
Q13	4 - 15.5 tonnes split chamber - vermin proof bulk feed bin. Galvanised or fibreglass.		1	3	4,205	1,685
Q14	4 - 15.5 tonnes single chamber with auger/gantry - vermin proof bulk feed bin. Galvanised or fibreglass.		1	3	6,290	2,515
Q15	4 - 15.5 tonnes split chamber with auger/gantry - vermin proof bulk feed bin. Galvanised or fibreglass.		1	3	7,550	3,020
Q16	16 - 29.5 tonnes single chamber - vermin proof bulk feed bin. Galvanised or fibreglass.		1	3	4,605	1,845
Q17	16 - 29.5 tonnes split chamber - vermin proof bulk feed bin. Galvanised or fibreglass.		1	3	6,605	2,640
Q18	16 – 29.5 tonnes single chamber with auger/gantry - vermin proof bulk feed bin. Galvanised or fibreglass.		1	3	6,815	2,725
Q19	16 – 29.5 tonnes split chamber with auger/gantry - vermin proof bulk feed bin. Galvanised or fibreglass.		1	3	8,410	3,365

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

New Item Code	Description of Eligible Items	Ineligible Items	Minimum Purchase Quantity	FBIS Theme Band	Ref Price £	Max Grant £
Q20	30 tonnes and over single chamber - vermin proof bulk feed bin. Galvanised or fibreglass.		1	3	5,705	2,280
Q21	30 tonnes and over split chamber - vermin proof bulk feed bin. Galvanised or fibreglass.		1	3	7,770	3,110
Q22	30 tonnes and over single chamber with auger/gantry - vermin proof bulk feed bin. Galvanised or fibreglass.		1	3	8,770	3,510
Q23	30 tonnes and over split chamber with auger/gantry - vermin proof bulk feed bin. Galvanised or fibreglass.		1	3	10,380	4,150
Q24	Motorised roller shutter doors for vermin proofing of agricultural and horticultural buildings. Minimum width of door 3 metres to allow tractor access. Grant support per square metre.	Motorised roller shutter doors on machinery sheds and non-agricultural/horticultural buildings.	29	3	87.72	35.09
Q25	Automated vehicle disinfectant wheel spray system for biosecurity.		1	3	4,940	1,975
Q26	Prefabricated biosecurity unit for animal and plant health. Grant support per square metre and available up to 26 square metres. Refer to Annex F (FBIS-C) Tier 1 (Tranche 4) Explanatory Booklet.	Canteen/ kitchen facilities, site preparation, ramps, access steps, connection to services.	3	2	888	355
Q27	Water sanitising/filtration system for removing impurities/pathogens. Grant support per 10,000 litres daily throughput.		1	2	5,440	2,175

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.
